“This firm Champagne is tightly knit and shows linear drive, with subtle notes of crunchy pear, preserved lemon, spring blossoms and salted Marcona almond providing just enough flesh for the racy bead and acidity.” *(extract)*

“It opens with a delicate bouquet of early-spring white blossoms, mingling with notes of nashi pear and lemon zest, layered over subtle nuances of brioche. On the palate, it is medium-bodied, taut and incisive, complemented by a pillowy mousse and racy acidity. The finish is bone-dry and chalky, underscoring its intended purity.” *(extract)*

“Refined with a precise feel, it’s a lovely style that’s often neglected but is an irreplaceable and fantastic tool to pair with a wide range of desserts, such as a summer fruit tart, spicy foods, and cheese. It’s long on the palate, with a clean finish and a delicate, pure sweetness throughout.”

This is a classy, polished Vintage Champagne marked by notable brightness. Airy, elegant and silky in feel, the 2018 is an absolute delight.”

“The 2018 Cuvée Sir Winston Churchill is an elegant, polished wine very much in the gracious, lighter style of the year. Subtle citrus inflections, white peach, flowers, mint and white pepper are all beautifully delineated in the glass. Clean mineral notes infuse the vibrant finish. This is an especially airy Churchill, a Champagne built more on finesse and persistence than size.”
